

ACCOUNTS RECEIVABLE CONTROLLER

We are looking for an Accounts Receivable Controller to join our Finance Team. The position will act as a global guardian of GANNI's wholesale accounts receivables and support our fast-growing organization. You will be responsible for ensuring the collection of funds, and continuously strive to improve all receivable procedures. This includes frequent contact with our global wholesale team, customer service department and logistic team as well as daily contact to all customers across countries.

The position is located at GANNI's headquarter in central Copenhagen, and you will report directly to our Head of Finance. The position is full time, and will be filled immediately.

Tasks:

- Responsible for accounts receivable payments and reminder procedures
- Closely monitoring and analyzing outstanding accounts receivable
- Working actively to constantly improve the receivable process
- Communication and coordinating with sales and logistic teams to ensure efficient "order to cash process"
- Handling of debt collection
- Perform account and bank reconciliations
- Finance point of contact to customers
- Assist with month-end closing and preparation of various reports
- Prepare and analyze agent commission statement
- Ad hoc tasks

The ideal candidate:

- Degree in business administration/finance/accounting
- Professional experience from a similar position, accounts receivables and/or customer relationship management
- Strong numerical and analytical skills, including excel skills
- Independent with a strong drive, confident and authority
- Team player mentality and always a step ahead
- Strong financial acumen and ability to uphold a structured performance
- Experience with Navision TRIMIT is preferable but not necessary
- Good verbal and written communication skills

Application:

Please send your application and CV to job.finance@ganni.dk. As we interview candidates continuously, we kindly ask you to send your application as soon as possible no later than 15/1/2018.
