

DESIGN INTERN

We are looking for a fresh, enthusiastic, reliable, and motivated intern to join our Design department at GANNI HQ in Copenhagen.

If you thrive in a fast paced environment, and wish to gain an in-depth understanding of the industry through hands on experience, this is the place for you.

At GANNI we can offer you a great learning opportunity if you are passionate about design and would like to know more about the design process.

RESPONSIBILITIES:

- Create Technical specs from designer's description and sketches to be passed on to technical team
- Attend fittings and update technical drawings
- Update colour schemes and make sure all sketches and files are updated
- Prepare and steam samples and set up for presentation meetings and fits
- Daily design studio maintenance
- Participation in the daily operation and practical tasks

THE IDEAL CANDIDATE

- Education: Ongoing Degree in Fashion Design from Design school
- Thorough with a strong attention to details
- Strong Illustrator skills and technical drawing skills
- You thrive in a hectic, informal and creative environment
- You enjoy working independently and taking an active part in daily tasks
- You are hands-on and always orientated towards problem solving
- You are positive and love working with people
- Highly organized and ability to prioritize workload
- Interest in clothing and its technical implications

The internship is full time with a length of minimum 3 months, preferably 6 months.
Start date: January 2019.

Being a Design intern is hard work - but it's also a lot of fun!

If it sounds enticing then send your CV and motivated application to job.designintern@ganni.com

We will interview candidates on-going until the right candidate is found.
